

McDonald Charter Boats – Coronavirus Statement
March 19 2020

To our Valued Customers and Travellers,

In response to the current Coronavirus (COVID-19) pandemic McDonald Charter Boats has taken numerous steps to actively combat and minimise the spread of this virus. The safety of our employees and customers is of paramount importance and following updated precautions advised by the Governments we have implemented strict hygiene guidelines to our employees during this time.

As of today (Thursday, March 19th) we are currently operating as per the normal Ferry Timetable. It is very possible that over the next few days there will be restrictions made to services but we will aim to keep the public informed of these changes via the website and our Facebook page.

For further enquiries please contact our office on 1300 664 875.

Sincerely,

Daniel Takai
General Manager
